Before investing, you should carefully consider a fund's investment objectives, risks, charges and expenses. Contact your financial professional, visit www.principalfunds.com or call 800-222-5852 to obtain a prospectus containing this and other information. Read the prospectus carefully before investing. A mutual fund's share price and investment return will vary with market conditions, and the principal value of an investment when you sell your shares may be more or less than the original cost. *Top-tier ranking for managers of lifecycle funds (No.5 in the nation as measured by lifecycle mutual fund assets under management as of 12-31-07 – Source: Financial Research Corporation).
