Jamey has been in the financial services industry for over 10 years, joining the Principal Financial Group® in 2004. Jamey joined forces with John Deering, an experienced registered representative, in 2001. Together, John and Jamey have been building a practice focused on estate planning and wealth management services. Other areas of specialties include: Executive Benefit Solutions, Retirement Planning, Life Insurance, Disability Insurance and Business Insurance.

The key to our success is managing by lifestyle. We spend time educating our clients on asset allocation and risk management. Working with CPA's, we are able to help implement tax savings plans for both individuals and businesses.

In her personal time, Jamey enjoys running, traveling, reading thought provoking books, riding her Harley, scuba diving and playing her guitar.
