Henry Castillo is an experienced executive and engineer with vast managerial experience and more than 25 years of progressive knowledge in Corporate Finance, Management and Financial Engineering. Throughout his career, Mr. Castillo has developed a unique proficiency in strategic management always taking a creative and team-oriented approach in both domestic and multinational firms. He has the ability to put ideas together to help generate profit and business opportunities for a variety of companies, franchises and individuals.

Mr. Castillo's experience includes managing, planning and administering new and existing corporations, companies and franchises, as well as the ability to create and develop customer-oriented marketing strategies and establish long-term alliances by creating a mission and vision in the best company's interests.

Mr. Castillo holds a B.S. from Florida International University and a Masters Degree in Financial Institutions and Currency. He has been married for 32 years and has two children.

Mr. Castillo's goal is to provide families and business owners with assistance in building their financial freedom. He states, "I have the skills, knowledge and experience to help meet my clients' established goals. My personal goal is to become a lifetime resource for each and every client."
